Be Seen, Get Connected!

Creating a new website can come with a scary price tag. And for some organizations, a custom design is necessary yet it is still out of the price range for many nonprofits. If you need a website to match your needs and want a partner

I have the answer for you!

- Visit PrairieMagicDesign.com
- Fill out the Questionnaire Form
- I'll respond within 48 hours

Pricing listed on this ad for Nonprofits only

New Site $240

Nonprofit Features
- Responsive themes
- Unlimited pages
- Accept donations directly on your site
- Accessible Web Design
- Blog
- Google Analytics setup

Your nonprofit will want to answer these questions before starting a website:

- What are your goals for creating a new website?
- Who are you targeting with your new website?
- If your nonprofit has a website already, what's working and not working?
- What's your budget?
- What's your timeline?

Let's Create Some Magic!
